

# DIRECTIONS TO ATT

**Rail:** Shenfield railway station is about 20 minutes from London Liverpool St. Our offices are about half a mile from the station. Turn right out of the station, take the next left after walking under two railway bridges. After passing under one more railway bridge turn right into Whitegates Business Centre. Please phone if you need a lift from the station.

**Road:** ([www.multimap.com](http://www.multimap.com) is great—just enter the postcode CM15 8QF)

Traveling by road, from the north or south, take the A12 and turn off at the junction signposted for Brentwood at A12 junction 12 (not at the A12/M25 junction).

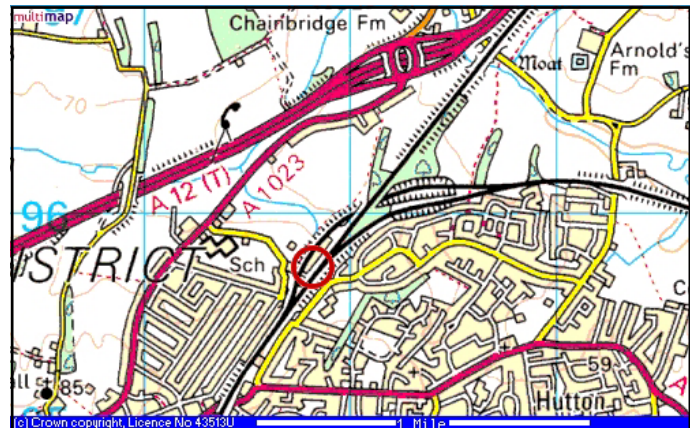

At the roundabout follow the signs for Shenfield.

After about half a mile, turn left into Alexander Lane just before Shenfield High School.

Turn left again just after passing under a railway bridge (about quarter of a mile) into Whitegates Business Centre. **Please park at the end of the site (past the main buildings).**

Check in at the main reception and somebody will come and collect you straight away.

Please phone if you have any problems.
